

Say hello to faster payments

What is GovCash?

GovCash is a payment mode that allows Singaporeans to receive their payouts from Government agencies more quickly and conveniently. GovCash will replace GST Voucher cheques from 2022 onwards.

How do I receive my cash payout via GovCash?

You will receive an 8-digit Payment Reference Number (PRN) via a letter in August 2022 after GST Voucher payment has been made. With the PRN, you can withdraw your cash payout at any OCBC ATMs. You do not need to have an OCBC bank account to use this service.

You can also transfer your payouts to your PayNow-NRIC-linked bank account, or make payments to merchants by scanning their PayNow or NETS QR code using the LifeSG app. You can download the LifeSG app from the Apple App Store or Google Play Store.

A detailed step-by-step guide will be also provided together with your PRN in August 2022.

I do not wish to receive my payout via GovCash. What are the other payment alternatives?
